To whom it may concern:

It is with great pleasure that I write this letter of recommendation Felonius Smith. Felonius has performed gigs here at the Boulder Outlook for over a year. The first time I heard him, I knew that we had to have him in our line up. From traditional acoustic blues to early Americana music Felonius is a tremendous performer. Flawless instrumentals, great vocals and a winning stage presence make him one of our favorite acts. I am sure that you won't be disappointed.

Very truly yours,

To Whom It May Concern:

I am the booking agent for two different concert series in Downtown Boulder—Bands on the Bricks and Noon Tunes--as well as the Downtown Boulder Fall Festival. I also handle all the music for the events at One Boulder Plaza which is also located in Downtown Boulder.

I would highly recommend Felonius Smith and the members of his trio. In addition to being talented musicians, they are highly professional and extremely easy to work with. I have used Felonius Smith for Noon Tunes, Fall Festival and One Boulder Plaza.

Jeff Smith is an excellent entertainer and really engages the crowd in his performances. His tidbits about the songs and his experiences add to every show. His accompanying musicians are equally talented and very much compliment Jeff.

I think you would be very pleased if you decide to include Felonius Smith in your line up.

Sincerely,
